

The Friends are pleased to announce it now is possible to make your Friends membership on-line. Begin by clicking on the Network for Good Donate Now icon. This will take you to the Friends membership page.

Begin by entering the amount that corresponds to your preferred Membership level in the "I want to contribute" box:

Individual - \$25

Family - \$35

Patron - \$50

Benefactor - \$75

Conservator - \$100

Lifetime Member - \$1,000

Next, enter your donation preference for your membership and any added donation. You can extend a donation over the entire year with monthly installments or you can make a one-time donation.

You then will be offered privacy preferences for making your donation. Please provide your full name, street address and e-mail so we can properly record your membership. This also will allow us to acknowledge your donation and notify you of upcoming library and Friends events, including our Friends only Book Sale Preview Nights. We will not share your information with anyone outside the library.

Enter your preferred Membership level (listed above) in the "Designation" block.

If you would like, you may give a Friends membership in honor or memory of another individual. Use the "Dedication" block to specify the name of the person you wish to honor.

Finally, you will be asked to create a profile on the Network for Good website. This information is to be used only for this transaction and will not be shared with any other party.

If you have any questions or need more information, please contact Rebecca Lowe, LPL Development Director, at 302-645-4633. We appreciate your support of the Lewes Public Library and we thank you for being a Friend.
