

Through the use of the **Delaware Library Catalog** at <http://www.lib.de.us> you can find Business Directories, Encyclopedias, Magazine, Newspaper and Journal articles, and much more. **The Delaware Library Catalog** can be accessed from computers at the library or a home computer with Internet access. **The Delaware Library Catalog** includes a library catalog of materials available in all public libraries in Kent & Sussex Counties, the Del Tech Libraries and more.

The Delaware Library Catalog also provides access to EBSCOhost which you can use to search for full text articles from more than 2,000 magazines and journals. Some articles may provide only abstracts.

Through **ProQuest Newspapers**, you can find full text newspaper articles from 25 newspapers including the Wall Street Journal, New York Times, Washington Post, Los Angeles Times and Christian Science Monitor.

Through the computers in the library, you can use the Public Access Catalog (PAC) to access the Internet through the Sussex County Public Library System.

For Internet access, all you need is:

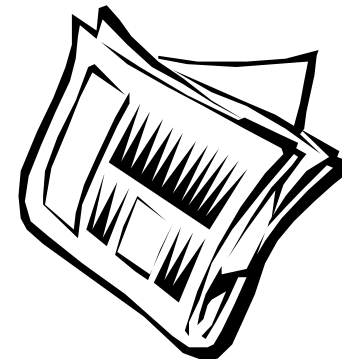

- Your library card
- Your PIN number

How to Get Magazine, Journal and Newspaper Articles

1: Sign up for a computer at the computer sign-up station. At your assigned computer, enter your barcode and pin number. Click **Accept** to Accept our Acceptable Use Policy.

2: Internet Explorer should open automatically and load the Lewes Library website. Click on **Catalog** at the top of the screen.

3. Type your User ID (barcode) and PIN in the boxes at the top right of the screen and click on **Login for More Features**.

4. Click on **EBSCOhost** on the green bar, then click on **EBSCOhost databases**. Check the box next to MasterFILE Premier and click **Continue**.

5. Enter your search terms in the box after **Find** and click on **Search**

6. To view a full text article, click on the title, or **PDF** or **HTML Full Text** link below the article citation., each of which displays the article in a slightly different format.

7. You can print the article by clicking on the **print** icon at the top of the page, or e-mail articles to any e-mail address by clicking the **e-mail** icon at the top of the page.

8. You can do a general search or limit your search by date or publication.

9. You can click on the **Publications** link at the top of the page to see all periodicals included in the database.

10. Some articles have an abstract only in the database. To get the full-text, you will need to print out the citation, complete an Inter-Library Loan request form located at each computer, and give the information to a library staff member. The staff will order the publication, if possible, and notify you when it is available.

11. Access **Help** at the top of the **EbscoHost** page at any time to aid you in your search.

12. Search procedures are similar for all EBSCO Host databases.

How to find a specific article in Consumer Reports

Note: This will work with any full text magazine. Just substitute the title of the magazine for Consumer Reports.

Step 1: In the **Find** box, type in the topic or a keyword from the title of the article

Step 2: In the **Refine Search** box, click once in the box next to **Full Text**.

Step 3: Type **Consumer Reports** in the box next to **Publication**.

Step 4: If you know the date of the issue the article was in, enter that information in the **Month** and **Year** boxes below **Publication**. Complete both **Month** and **Year** boxes even if they are identical.

Step 5: Click on **Search**, next to the **Find** box.

Step 6: The results will display in a new window and the full text can generally be viewed in PDF format.

Search ProQuest Newspapers for Newspaper articles:

Proquest contains full text and back issues for 25 newspapers including the Wall Street Journal, New York Times, Washington Post and Los Angeles Times.

Step 1: From the DeLAWARE home page, using a single click of the mouse, select **ProQuest Newspapers**.

Step 2: Choose either **Basic Search**, **Advanced Search**, **Topic Guide** or **Publication Search** from the top of the page. Each of these options allows you to search for articles using different criteria.

Step 3: You can e-mail or print articles by using a single click of the mouse on the **E-mail** or **Print** buttons on the top of the screen.

Step 4: Access **Help** at the top of the **ProQuest** page at any time to aid you in your search.

Step 5: Use the “**Back**” button on the top left of the toolbar to return to previous searches.

Step 6: Use the **Return to DeLAWARE** link at the top right of the page to return to the **DeLAWARE** Home Page.
